This year the Moravec family & friends will hold the 12th annual 5k run/walk in honor of Ryan Moravec. Ryan was an avid runner since his days on the Belle Vernon Area track team, in college as part of the California University of PA track team and during his post-collegiate endeavors.

On Saturday, June 28, participants from across western Pennsylvania will come together for a 5k run/walk to celebrate Ryan's love for the sport. Proceeds from the race will fund track scholarships for athletes from Belle Vernon Area and Ringgold high schools, ensuring the event can continue for years to come. Each year, one male and one female athlete from both schools will be awarded scholarships based on their academic and athletic achievements.

We sincerely appreciate your generosity.
